@oh.organizedhomes

Hello! I'm Olivia, a professional organizer with a background in graphic design. Growing up with architect and designer parents, I've been immersed in design from the start. As a result, I've developed a keen eye for aesthetics and implement these skills in both my work and personal life.

EXPERIENCE

Organized Homes by Olivia Hosbein — *Founder*

June 2025 - Present

- Founded and operate boutique organizing business transforming spaces across homes to create functional, elegant systems that are tailored to each client's lifestyle
- Lead full-scale projects from consultation to completion, managing team, creating timelines, sourcing product, and communicating with clients
- Produce branded photo/video content to grow digital presence and attract clientele

Ethereal Edits — *Senior Organizer*

March 2023 - Present

- Organize to create both functional and visually pleasing spaces for clients
- Train junior organizers
- Source product and shop for projects

Ever So Organized — *Lead Organizer*

May 2023 - June 2025

- Communicated directly with clients and team throughout organizing projects
